ORDER:

In the letter 2nd read above, the Chief Engineer (R&B) CRN & MD, APRDC, Hyd., has stated that Mogalturu – Bhimavaram road is an important State Highway connecting NH-214-A at one end at Kalipatnam and NH-214 at other end at Bhimavaram passing through number of villages. The road connects numbers of villages of W.G. and Krishna District to reach Major town Bhimavaram for their daily needs of education, Medical & Commercial needs and to transport the agricultural products to the nearby major town and marketing centre at Bhimavaram. This road connects important National Highway Kathipudi-Pamarru road NH-214 and another National Highway Digamarru-Ongole road, NH-214-A and a number of Major District roads and Rural roads.

2. He has further stated that, Govt. have accorded Administrative Sanction in G.O.1st read above, for Widening and Strengthening of the above road from Km 13/400 to 21/800 for an amount of Rs.10.00 crores, during the year 2012-13. The proposed reach is in continuation of the earlier sanctioned reach for the balance length of 9.14 km i.e., from 10.260 to 13.100 and 21.800 to 27.800, which is proposed to be improved to double lane from single lane.

3. He has further stated that the existing road is single lane, formed in BC soils and runs along Bank of Kalipatnam channel for its major length. Traffic intensity on this road is increased multifold and heavy trucks are plying on the road due to increased development of aqua culture during recent time. The traffic intensity is 769 CVPD and 12,218 PCUs as per latest traffic census. In view of narrow lane width the public and vehicular traffic are facing much inconvenience and present road not in a position to cater for the traffic needs. Hence he has proposed to take up widening and strengthening of balance stretch of Mogalture – Bhimavaram Road to cater for the present traffic requirement. He has also stated that the subject work requires no land acquisition and hence no Stage I Clearance is required. Only shifting of electrical lines is required which can be up during the course of execution of work.

4. The Chief Engineer (R&B) CRN & MD, APRDC, Hyd., has requested the Government to accord administrative sanction for the work of Widening & Strengthening of Mogalturu – Bhimavaram Road via Kalipatnam from Km 10/260 to 27/800 (Working Reach 10/260 to 13/400 and 21/800 to 27/800) in West Godavari District, for an amount of Rs.11.00 Crores, under Corenet Plan Scheme.

(PTO)

5.
